APPROACHABLE LUXURY

“

This collection truly encompasses the Far Studio Vibe - Approachable luxury interiors with a west coast influence and an east coast sensibility. I took inspiration from my projects across the globe to create a collection that feels timeless and elevated yet still easy and attainable; using our signature saturated moody colors mixed with the perfect neutral tones and natural woods paired back to classic elements with elevated details to create the perfect combination of luxe and laid back for everyday living.

Go from edge to edge with a tape measure and mark everything. This includes wall lengths, opening lengths, ceiling heights and appliances spaces.

If you have an idea or change you want to make, let us know! Feel free to draw your ideas of what you would like to include in your new kitchen.

4
